

## Accounting (ACT) – Accounting Option and Computerized Accounting

### Program Mission:

- Provide all students access to quality educational opportunities and experiences that will meet the needs of an ever-changing and increasingly demanding technological society.
- Provide career and professional degree programs that prepare students for immediate employment in the accounting field.
- Provide courses that help those who are presently employed acquire specialized skills needed due to technological advances or for job advancement.
- Provide our degree-seeking students and professionals desiring to update their skills with the opportunity to learn and/or enhance the accounting skills necessary for employment/advancement in local businesses and the accounting industry.
- Make available to our service area quality instruction in general and computerized accounting.

### Program Outcomes:

- Students and graduates returning surveys will report satisfaction with the Accounting Program.
- Accounting students will graduate at a 75% completion rate within four years of declaring the major.
- Graduates returning surveys indicate employment in the field or current enrollment in a four- year degree program. (75%)

### Program Level Student Learning Outcomes:
