

Emergency Medical Services Program

Program Mission:

The mission of the Emergency Medical Services Program at Jefferson State Community College is to provide students with the highest quality medical education possible including both academic instruction and meaningful clinical experience. We strive to produce professional Emergency Medical Technicians, Advanced Emergency Medical Technicians, and Paramedics dedicated to providing capable, compassionate care. We will always strive to protect the integrity of our institution, the honor of our profession, and the trust of the public.

Program Outcomes:

- National Registry Examination pass rates will be 90% or higher after three attempts for each level of certification.
- In one year of completing the paramedic program, 90% of students seeking employment in an EMS related field will be employed.
- Employers and graduates will report 80% satisfaction with educational preparation.
- Students admitted into each level of the Emergency Medical Services program will complete their training level at a rate of 70%

Student Learning Outcomes:

1. Comprehend, apply, and evaluate academic knowledge and skills relative to the role of an entry-level Advanced Emergency Medical Technician, Advanced emergency Medical Technician, or Paramedic.
2. Display technical proficiency in all of the skills necessary to fulfill the role of an entry- level Emergency Medical Technician, Advanced Emergency Medical Technician, or Paramedic.
