

Law Enforcement

Program Mission:

The mission of the Law Enforcement Program at Jefferson State Community College is to provide a comprehensive knowledge base pertinent to the various areas within the broad scope of Criminal Justice and Law Enforcement including but not limited to law, courts, corrections, criminology, ethics and public policy. The program emphasizes the development of analytical skills that are vital in the field of justice, and an understanding of the laws and legally defined procedures that law enforcement professionals must adhere to when working in this field.

Program Outcomes:

- Graduation rates will exceed state viability requirements.
- Graduates will report an 80% satisfaction with educational preparation
- At least 75% of graduates returning surveys indicate employment in the field or a related field, or current enrollment in a 4 year degree program

Program Level Student Learning Outcomes:

1. Explain the history, development, structure and function of the American Criminal Justice System.
2. Demonstrate an understanding of criminal justice processes and the scope of responsibilities of various local, state and federal agencies from arrest through corrections.
3. Articulate differences between major criminological theories of crime causation and how those theories relate to public policy.
4. Analyze legal concepts, case law, rules of evidence and basic investigative procedures as they apply throughout the processes of justice.
5. Demonstrate critical thinking and analytical skills.

Program Mapping

I: Introduced in this course

P: Practiced in this course.

M: Mastered in this course.
