

## **Educational Talent Search – Student Services**

### Service Unit Purpose:

The Educational Talent Search program seeks to provide assistance and guidance to foster eligible students' secondary graduation and postsecondary matriculation.

### Service Unit Outcomes:

1. Educational Talent Search will identify and recruit eligible students for participation in the Educational Talent Search Program.
2. Educational Talent Search will work to promote secondary school completion.
3. Educational Talent Search will work to assist students and families with understanding and applying for financial aid.
