Databases and Resources A to Z

Introduction

- Your JSCC Libraries offer access to resources in both traditional and electronic format to meet your research, writing, and other academic needs. This guide provides information on the various types of resources and instructions on their best use.
- This section is organized via the tabs on the left. Take advantage of the glossary if you are uncertain of the terminology related to the research process.
- For assistance at anytime during this process, be sure to use the virtual reference feature tab "Ask a Question". Additionally, for an extended research session, please schedule a **Research Appointment** with a librarian using the forms for your campus below.

- Jefferson Campus LRC**
Request assistance from the librarian at the Jefferson [CenterPoint] Campus LRC.
- Shelby Campus LRC**
Request assistance from the librarian at the Shelby [Hoover] Campus LRC.
- St. Clair Campus LRC**
Request assistance from the librarian at the St. Clair [Pell City] Campus LRC.
- Chilton Campus LRC**
