

Assessment Record

Program: Safety and Security

Assessment period: 2021-2022

Program or Department Mission:

The Jefferson State Police Department exists to protect life and property, maintain a successful parking and traffic system, prevent crime and be of general service to the college community. We want to fulfill these responsibilities professionally and pleasantly. Those of us in the Jefferson State Police Department strongly feel that public relations are a vital aspect of our role as campus police. We pledge to improve our service by improving the skills of our officers through continuing education, in-service training, and self-improvement programs.

Auto Theft	0																	
Furthering positive public relations between the college and campus community as well as the community at large.	Review of the number of presentations made to the campus community, faculty and	The college will routinely provide presentations to the campus community, faculty and staff, and the community at large.	The Campus Police Department presented at the following events during the reporting period: Training to prepare Officers for the World	The department continues to promote a positive working relationship with the campus community and the community at large.														

	staff, and community at large.		Games, Training to bring new knowledge of bombing prevention, Training for Officers as required by the APOST Commission, Training for the employees, faculty, and Staff of all 4 of the Jefferson State Campuses. The training was also presented to Nursing students on sexual harassment prevention.	
Developing and maintaining a current and comprehensive safety plan for the college.	Officers have been employed to monitor any new or incoming threats to the college.	The Campus Police will effectively respond to all emergencies identified in the threat assessment.	The Police Department responded effectively to all emergencies during the reporting period. Elements of the response plan were tested during annual training.	The emergency response plan and the response by campus police to emergencies were effective.
Maintaining and creating a system of community notifications and communications between the Jefferson State Community and Alabama Community College system to advise of issues in the system.	Chief Bailey is currently working with the Alabama Community College System and is in constant communication with the Jefferson State Police Department and the other schools in the system creating a system of resources for Jefferson State and the system as a whole.	Campus Police will continue to work with former Chief Bailey to strengthen the system and continue to develop the relationship.	The communication and ability to work together to notify of any problems within the system and potential problems that we may encounter will grow and create a safer and more beneficial environment for the Jefferson State Community.	Jefferson State will continue to work and develop the Police Department and its relationship with the Alabama Community College System.
